

## ENVIRONMENTAL POLICY

EPRS directors are committed to Environmental Leadership and will ensure that protection of the environment is firmly embedded in both the company's and employees' culture. This policy applies to all activities, products, and services of EP Recycling Specialists.

### **Our Environmental Aims**

EPRS is committed to the sustainable use of resources and operating in a manner which minimises our Environmental impact.

### **Our Environmental Actions**

We will achieve this through to the following actions and initiatives.

- Comply with regulatory requirements or environmental management.
- Be consistently aware of changing risks and perceptions around our environmental impacts and act as necessary.
- Include environmental issues in all business strategies and initiatives.
- Prevent pollution, reduce waste, and improve resource and energy efficiency through best practice techniques.
- Educate, train, and motivate our employees (including contractors) to conduct tasks in an environmentally responsible manner.
- Encourage environmental protection among our suppliers, customers, and stakeholders; and
- Monitor our environmental performance, regularly review environmental objectives and targets, and sustain a programme of continuous improvement.

This policy is communicated to all staff, contractors, and suppliers, and is publicly available on the EPRS website.
